From: Allan J. Topol

Enclosed is a draft of the letter relating to the Federal Trade Commission's proposed testing for carbon monoxide content which I was asked to prepare at the meeting in New York last week. I would appreciate your comments as to the text of this letter and as to whether or not a single letter in this form should be sent to the Commission.

I would appreciate hearing from you at your earliest convenience.

cc/w/enclosure: Horace R. Kornegay, Esquire
